

INTRODUCED: March 14, 2016

A RESOLUTION No. 2016-R019

To request the Virginia Department of Transportation to amend the street mileage inventory for the City of Richmond.

\_\_\_\_\_  
Patron – Mayor Jones

\_\_\_\_\_  
Approved as to form and legality  
by the City Attorney  
\_\_\_\_\_

PUBLIC HEARING: MAR 28 2016 AT 6 P.M.

WHEREAS, in accordance with the Virginia Department of Transportation's Urban Construction and Maintenance Program policies and guidelines, the City Council must adopt a resolution requesting that the Department amend the street maintenance mileage inventory for the City of Richmond in order to incorporate all changes made to the City's mileage inventory identified on Form U-1, a copy of which is attached to this resolution;

NOW, THEREFORE,

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF RICHMOND:

AYES:            9            NOES:            0            ABSTAIN: \_\_\_\_\_

ADOPTED:    MAR 28 2016    REJECTED: \_\_\_\_\_    STRICKEN: \_\_\_\_\_

That the Council requests that the Virginia Department of Transportation amend the mileage inventory for the City of Richmond in order to incorporate all changes made to the City's mileage inventory identified on Form U-1, a copy of which is attached to this resolution.

### O&R REQUEST

**DATE:** February 12, 2016

**EDITION:** 1

**TO:** The Honorable Members of City Council

RECEIVED

**THROUGH:** Dwight C. Jones, Mayor

MAR 07 2016

**THROUGH:** Selena Cuffee-Glenn; Chief Administrative Officer

OFFICE OF CITY ATTORNEY

**THROUGH:** John Buturla, Interim Deputy Chief Administrative Officer

**THROUGH:** Dr. Emmanuel Adediran; Director of Public Works

**THROUGH:** M.S. Khara, P.E.; City Engineer

**FROM:** Kenny Horak; Senior Capital Project Manager

**RE:** REQUEST THE VIRGINIA DEPARTMENT OF TRANSPORTATION (VDOT) TO AMEND THE STREET MAINTENANCE MILEAGE INVENTORY.

**ORD. OR RES. No.** \_\_\_\_\_

**PURPOSE:** To request Virginia Department of Transportation (VDOT) to amend the street maintenance mileage inventory for the City of Richmond.

**REASON:** To update the street inventory for The City of Richmond prior to April 1, 2016 by City Council action as required by VDOT.

**RECOMMENDATION:** The department of Public Works recommends approval of the ordinance.

**BACKGROUND:** VDOT is responsible for the maintenance of streets and highways throughout the state of Virginia. In accordance with the code of Virginia Section 33.1-41.1, those localities that maintain their own streets are entitled to a street maintenance payment from the state based on the actual moving lane mileage (MLM) in the locality based on VDOT's Urban Maintenance Inventory System (UMIS). The UMIS program was developed and implemented by the state in 1950's and updated on as needed basis.

State's street maintenance payment to the localities is based on moving lane miles (MLM) which is the number of lanes that public can travel on each direction (except turning and parking lanes). The center

lane miles are actual center length of a road segment without consideration of number of lanes in that road segment.

Under the current UMIS program the City is being paid for 1,859.65 moving lane miles. For the fiscal year 2016 state is paying the City, in four quarterly payments, in two categories – Arterial Streets @ \$19,958/MLM and Collector/Local Streets @ \$11,719/MLM.

Under the 'State of Good Repair' state initiative, VDOT performed a complete verification of all street inventories within the State of Virginia, including the City of Richmond. This inventory verification was completed and reported to the City on August 30<sup>th</sup> 2015. Within the verification process it was found that The City of Richmond's UMIS had mathematical errors, duplicate street segments, some streets could not be located, turn lanes/ramps and streets with name changes. VDOT reported that the current UMIS had 216 defects/errors (57 segments are Arterials Street and 159 segments are Local and Collector Streets) which will result in the removal of 60.10 moving lane miles (37.88 MLM are Arterials Streets and 22.22 MLM are Local and Collector Streets) from the City's current inventory.

In performing verification of the deficiencies noted by VDOT; this provided the City an opportunity to reconcile the city's complete street inventory. This City verification process found segments of streets those are not in UMIS but City is maintaining and categorized as missing segments, new streets, restricted parking areas and road extensions but currently not receiving payment under Virginia Code Section 33.1-41.1. These findings verified that the City was not receiving funding for 321 street segments (22 Arterial and 299 Local and Collector) provided 47.48 additional moving lane miles (6.73 MLM are Arterial and 40.75 MLM are Local and Collector Streets) to the City's inventory.

The revised U-1 form (attached) approved by the City Council is required by VDOT in order to make any changes to the UMIS. This form incorporates all changes to the City's street inventory and corrects the moving lane miles that the City of Richmond will be paid for. Table below shows the current and proposed moving lane miles, change in the MLM and change in the revenue from VDOT for street payments effective July 1, 2016 (FY17):

| Category            | Current<br>MLM  | Proposed<br>MLM | Diff in<br>MLM | Payment<br>Rate (FY16) | Net Change in<br>Payment/Year |
|---------------------|-----------------|-----------------|----------------|------------------------|-------------------------------|
| Arterial            | 545.41          | 514.26          | -31.15         | \$19,958               | (\$621,691.70)                |
| Collector/<br>Local | 1,314.24        | 1,332.77        | +18.53         | \$11,719               | \$217,153.07                  |
| <b>Total</b>        | <b>1,859.65</b> | <b>1,847.03</b> | <b>-12.62</b>  |                        | <b>(\$404,538.63)</b>         |

VDOT requires that all changes to be submitted by April 1, 2016 with a City Council action.

Additional 70+ defects, that are not included in this U1 form, are being verified for pavement and right of way width thru legal research that potentially will increase MLM and reduce the anticipated gap in the revenue. A separate Ordinance will be submitted at later date to request those changes to VDOT.

**FISCAL IMPACT / COST:** \$404,538.63 /year reduction in street payments from VDOT starting July 1, 2016.

**FISCAL IMPLICATIONS:** State revenue will decrease by \$404,538.63 in FY 17 which in turn will decrease the road and bridge maintenance program

**BUDGET AMENDMENT NECESSARY:** NO

**REVENUE TO CITY:** None (Street Maintenance revenue will decrease by \$404,538.63)

**DESIRED EFFECTIVE DATE:** Upon Adoption

**REQUESTED INTRODUCTION DATE:** March 14, 2016

**CITY COUNCIL PUBLIC HEARING DATE:** March 28, 2016

**REQUESTED AGENDA:** Consent Agenda

**RECOMMENDED COUNCIL COMMITTEE:** Land Use Housing and Transportation Standing Committee – March 22, 2016

**CONSIDERATION BY OTHER GOVERNMENTAL ENTITIES:** None

**AFFECTED AGENCIES:** Department of Public Works; Department of Public Utilities; Finance; Budget and Strategic Planning; Law Department; Planning and Development Review; Economic and Community Development. Copies also sent to City Mayor (Honorable Dwight C. Jones); Chief Administrative Officer (Selena Cuffee-Glenn); Interim Deputy Chief Administrative Officer (John Buturla) (City Attorney (2 copies)

**RELATIONSHIP TO EXISTING ORD. OR RES.:** None.

**REQUIRED CHANGES TO WORK PROGRAM(S):** None.

**ATTACHMENTS:** VDOT U-1 Form

**STAFF:** : Kenneth D. Horak Senior Capital Project Manager (804-646-4781)  
M. S. Khara City Engineer (804-646-5413)
