RE: To vacate, pursuant to Va. Code § 15.2-2272(2), that part of the Oxford Addition, Terrace P subdivision plat that reserved 3601 Sherbrook Road and a portion of 3717 Sherbrook Road, upon certain terms and conditions.

ORD. OR RES. No.

PURPOSE: To vacate, pursuant to Va. Code § 15.2-2272(2), that part of the Oxford Addition, Terrace P subdivision plat that reserved 3601 Sherbrook Road and a portion of 3717 Sherbrook Road, upon certain terms and conditions.

BACKGROUND: Property owner desires removal of the “reserved” status of 3601 Sherbrook Road and a portion of 3717 Sherbrook Road, as established by a 1963 subdivision plat, to allow for (i) construction of a single-family dwelling at 3601 Sherbrook Road consistent with the underlying R-2 Single-Family Residential zoning of that parcel, and (ii) a potential future merge of 3601 Sherbrook Road and the referenced portion of 3717 Sherbrook Road. To effect such removal, it is necessary to vacate the part of the subdivision plat that “reserved” the property. Virginia Code Section 15.2-2272(2) describes one means for such vacation. The property is located on Sherbrook Road east of its intersection with Chippenham Parkway in the Stratford Hills neighborhood. The zoning of the property is R-2 Single-Family Residential.

The Richmond 300 land use designation for the property is Residential. Primary uses recommended for this land use designation are single-family houses, accessory dwelling units, and open space.

Under Virginia Code Section 15.2-2274, recordation of the requested ordinance “shall operate to destroy the force and effect of the recording” of the vacated part of the subdivision plat, which may have the effect of terminating City easements within the property that recordation of the original subdivision plat established. As a result, the ordinance requires property owner to grant the City easements equivalent to those that recordation of the ordinance might vacate before the vacation can

take effect.

COMMUNITY ENGAGEMENT: Civic associations, adjacent property owners and residents will be notified of this request by staff. The applicant is also notifying adjacent residents.

STRATEGIC INITIATIVES AND OTHER GOVERNMENTAL: Richmond 300 Master Plan

FISCAL IMPACT: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.
