Certificates of Insurance shall be provided to Licensor within 14 days after License execution.

C. Self-Insurance Alternate

Licensor agrees that Licensee may satisfy any of the insurance requirements of this Section X through any program of self-insurance, provided the program meets or exceeds all such insurance requirements, has been approved as a Self-Insurer pursuant to the provisions of the motor vehicle requirements stipulated in the Code of Virginia §46.2-368, and is maintained throughout the term of this License, including any extensions. Licensee shall provide Licensor (i) a notarized copy of a Certificate of Self-Insurance that confirms the program of self-insurance can provide all the coverages Licensee is required to carry pursuant to this Section X and (ii) Self-Insurance number as assigned by the Virginia Department of Motor Vehicles Commissioner. Section XI Indemnification

A. Licensee's Liability

Licensee shall be liable for all damages to persons (including employees of Licensee) or property of any type, arising out of any product provided or services rendered under this License, as a result of any action or omission by Licensee, its sublicensees or sub-sublicensees, any of their respective agents, anyone directly employed by any of them, or anyone for whose acts any of them may be liable.

B. Subrogation

Licensee, its agents and its sublicensees hereby waive and relinquish any right of subrogation or claim against Licensor, their governing body members, directors and employees arising out of the use of Licensor's premises (including any equipment) by any party in performance of this License.

C. Indemnification.

Licensee agrees to and shall indemnify, defend and hold harmless Licensor, their governing body members, directors and employees from and against any and all claims, losses, damages, causes of action, suits, liens and liability of every kind, (including without limitation all expenses of litigation, expert witness fees, court costs and attorney's fees) by or to any person (including without limitation employees, agents, governing body members, officers of Licensee or Licensor) or entity (collectively the "*Liabilities*") arising out of, caused by, or resulting from acts or omissions of, or any product provided by, Licensee, its sublicensees, or its sub-sublicensees, any of their respective agents,

or anyone directly or indirectly employed by any of them, in connection with this License or the operations in and around the Licensed Space, regardless of whether or not such claim, damage, loss or expense is caused in part by a party indemnified hereunder, so long as such Liabilities are not caused by the negligence or willful misconduct of a party indemnified hereunder. Notwithstanding the foregoing, no party shall be entitled to indemnity to the extent of its own negligence or gross negligence. Such obligation shall not be construed to negate, abridge or otherwise reduce other rights or obligations of indemnity which would otherwise exist as to a party or person described in this paragraph.

In claims against any person or entity indemnified under this section, by an employee or Licensee, sublicensee or sub-sublicensee or anyone directly or indirectly employed by any of them, the indemnification obligation shall not be limited by a limitation on the amount or type of damages, compensation or benefits payable by or for the Licensee, sublicensee, or sub-sublicensee under worker's compensation acts, disability benefit acts or other employee benefit acts. If any action at law or suit in equity is instituted by any third party against Licensee arising out of or resulting from the acts of Licensee in performing work under this License, Licensee shall promptly notify Licensor of such suit.

If any action at law or suit in equity is instituted by any third party against Licensor arising out of or resulting from the acts of Licensee, a sublicensee or sub-sublicensee, their respective agents or anyone directly or indirectly employed by any of them in performing work under this License, and if Licensee has failed to provide insurance coverage to Licensor against such action as required herein or otherwise refuses to defend such action, Licensor shall have the right to conduct and control, through counsel of its choosing, the defense of any third party claim, action or suit, and may compromise or settle the same, provided that Licensor shall give the Licensee advance notice of any proposed compromise or settlement. Licensor shall permit Licensee to participate in the defense of any such action or suit through counsel chosen by the Licensee, provided that the fees and expenses of such counsel shall be borne by Licensee. If Licensor permits Licensee to undertake, conduct and control the conduct and settlement of such action or suit, Licensee shall not consent to any settlement that does not include as an unconditional term thereof the giving of a complete release from liability with respect to such action or suit to Licensor. Licensee shall promptly reimburse Licensor for the full amount of any damages, including fees and expenses of counsel for Licensor, incurred in connection with any such action.

Section XII Assignment or Sublease

Licensee agrees not to assign or sublease the Licensed Space or any part thereof, or any right or privilege connected with it, or allow any other person, except Licensee's agent's employees and passengers to occupy the Licensed Space or any part of the Licensed Space, without first obtaining Licensor's prior written consent, which may be withheld in its sole discretion. Any consent by Licensor shall not be consent to a subsequent assignment, sublease, or occupation by other persons. Licensee's unauthorized assignment, sublease, or license to occupy shall be void, and shall

terminate the License at Licensor's option. Licensee's interest in this License is not assignable by operation of law, nor is any assignment of Licensee's interest, without Licensor's written consent.

Section XIII

Effect of Licensor's Waiver of Covenants

Licensor's waiver of breach of one covenant or condition of this License is not a waiver of breach of others, or of subsequent breach of the one waived.

Section XIV

Licensor's Remedies on Default

If Licensee defaults in the payment of fee or amount payable hereunder, or defaults in the performance of any of the other covenants or conditions of this License, Licensor may give Licensee notice of such default. If Licensee does not cure any default with regard to payment of the license fee, or any other default within 10 days after the giving of such notice, then Licensor may terminate this License on not less than 15 days notice to Licensee. On the date specified in the notice the term of this License shall terminate and Licensee shall then quit and surrender the Licensed Space to Licensor, but Licensee shall remain liable as provided in all other provisions of this License. This section shall in no way limit Licensor's right to exercise any and all other remedies available to it in law or in equity.

Section XV

A. Agreement in Entirety

This License represents the entire and integrated agreement between the parties and supersedes all prior negotiations, representations or agreements, either written or oral. This License may be amended only by written instrument signed by all parties.

B. Breach of Contract

If the Licensee shall fail, refuse or neglect to comply with the terms of this License, such failure shall be deemed a total breach of contract and the Licensee shall be subject to legal recourse by Licensor, plus costs resulting from failure to comply.

Licensee acknowledges that Licensor is the recipient of federal grant funds through the Federal Transit Administration (FTA), and Licensee agrees it will take no action that impedes or prevents Licensor from complying with all federal obligations arising from its status as the recipient of said grant funds. Any such act or omission, whether or not knowing at the time of the act or omission, will be considered a breach of this License.

The duties and obligations imposed by this License and the rights and remedies available hereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by Licensor shall constitute a waiver of any right or duty afforded under this License, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach hereunder, except as may be specifically agreed in writing.

C. Governing Law

This License shall be deemed to have been made in, and be construed in accordance with, the laws of the Commonwealth of Virginia. Any action of law, suit in equity, or other judicial proceeding to enforce or construe this License, respecting its alleged breach, shall be instituted only in the Circuit Court of Richmond, Virginia.

These federal laws provide in part that no handicapped individual, solely by reason of his or her handicap, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity included in or resulting from this License.
- (3) Equal Employment Opportunity. Licensee agrees to comply with all equal employment opportunity (EEO) provisions of Title VII of the Civil Rights Act of 1964, as amended, 42 U.S.C. § 2000e; 49 U.S.C. § 5332; and any other implementing requirements which the USDOT and/or the FTA have issued or may issue. Licensee agrees that it will not discriminate against any employee or applicant for employment because of race, color, creed, sex, disability, age, or national origin. Licensee agrees to take affirmative action to ensure that applicants are employed and that employees are treated during employment, without regard to their race, color, creed, sex,

disability, age, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship.

E. Environmental and Hazardous Materials

Licensee shall not cause or permit the escape, disposal or release of any chemical, biologically active or other hazardous substances or materials. Licensee shall not allow the storage or use of such substances or materials in any manner not sanctioned by law or in compliance with the prevailing standards prevailing in the industry for the storage and use of such substances or materials, nor allow to be brought into or onto the Licensed Space any such materials or substances except to use in the ordinary course of activities permitted hereunder. Licensee covenants and agrees that the Licensed Space will at all times during its use or occupancy thereof be kept and maintained so as to comply with all now existing or hereafter enacted or issued statutes, laws, rules, ordinances, orders, permits and regulations of all environmental, state, federal, local and other governmental and regulatory authorities, agencies and bodies applicable to the Licensed Space, and Licensee expressly agrees to indemnify and save harmless Licensor from any and all loss, cost or expense, including reasonable attorneys' fees, occasioned by failure of Licensee or any Licensee Party so to comply.

Licensee shall comply with the applicable procedures of the Licensor in respect of firearms or any other instrument intended for use as a weapon, or any object capable of inflicting serious bodily injury upon another person or property (including but not limited to a firearm, knife, sword, or any instrument of any kind known as blackjack, billy club, club, sandbag and metal knuckles.)

F. Severability

If any clause or provision of this License is declared to be invalid by any court of competent jurisdiction, then and in that event, the remaining provisions hereof shall remain in force. In lieu of each clause or provision of this License that is illegal, invalid, or unenforceable, there shall be added as a part of this License, a clause or provision as similar in terms to such illegal, invalid, or unenforceable clause or provision as may be possible and be legal, valid, and enforceable.

Licensee acknowledges and agrees that this License may not be recorded in any land records of any City or County without the prior written consent of Licensor.

H. Subordination

Without the necessity of any additional document being executed by Licensee for the purpose of effecting a subordination, this License shall be subject and subordinate at all times to all applicable easements, underlying leases and to the lien of any mortgages or deed of trust now or hereafter placed on, against or affecting the Licensed Space, Licensor's interest in the Licensed Space or any underlying lease or easement.

I. Federal Transit Administration Grant

- (1) The Licensee acknowledges that Licensor is the recipient of a Federal grant through the FTA, which funds, in part, the Licensed Space. The Licensee further acknowledges that pursuant to FTA grant requirements, the Licensor must demonstrate and retain satisfactory continuing control over the use of the Licensed Space. The Licensee agrees that it will not exercise any right(s) permitted under this License in a manner which compromises or otherwise diminishes Licensor's obligation to retain satisfactory continuing control over the use of the Licensed Space.
- (2) The License acknowledges the Federal interest in the Licenses Space and agrees that it will take no action which compromises or otherwise diminishes such interest.
- (3) The Licensee acknowledges that Licensor must comply with all applicable Federal statutes, regulations, orders, certification and assurances, or other Federal law (collectively referred to as "Federal laws"). Including, but not limited to, those set forth in the current Master Agreement governing transit projects supported with Federal assistance awarded through FTA. The Licensee agrees that it will take no action seeking compliance with non-Federal laws to the extent such laws conflict with applicable Federal laws.

J. Survival

Any provisions of this License which require performance subsequent to the termination or expiration of this License, including without limitation Licensee's obligations under Section XI and any obligation of Licensee to make payment to Licensor, shall survive such termination or expiration.

K. Sovereign Immunity

Nothing in this License may be construed as a waiver of the sovereign immunity granted Licensor by the Commonwealth of Virginia Constitution, statutes, and applicable case law.

L. Counterparts

This License may be executed in counterparts by the parties hereto. It is not necessary that the signatures of the parties appear on the same counterpart or counterparts. All counterparts shall collectively constitute a single agreement. Executed counterparts of this License may be delivered by electronic mail and shall have the same effect as original signatures.
