To Whom it may Concern:

This is a letter in support of the request of River City Roll to be able to host and sponsor additional outdoor community events and activities. I live next door at the Cookie Factory Lofts and thoroughly enjoy being able to walk to their events and other similar ones in the area. In recent years, Scott's Addition has become the premier mixed-use neighborhood not only in the city but the entire region because it offers the complete "Live, Work, Play" environment that so many people look for these days. Allowing even more events for community members to attend will not only add value to the neighborhood but also create more opportunities for local businesses to thrive in this challenging environment. Thank you for your consideration and I would appreciate your support in allowing this.

Thank you,

Rick Gunn
