Dear Matthew,

I'm writing today to express my support for the Special Use Permit for Westover Hills United Methodist Church. My husband and I are longtime neighborhood residents and WHUMC church members and we believe this project will be an asset to our community.

As a parent, I believe this project will also be enthusiastically received by visitors at our existing Tot Lot playground and within our preschool community. The Next Move has proven to be a valuable resource to families of young adults with developmental disabilities and I'm excited for them to be able to broaden their reach and increase their impact through Tablespoons Bakery.

Thank you for your consideration,

Leah Walder
