Subject: River City Roll Support Letter

To Whom it May Concern:

I write this letter to support the initiative to allow River City Roll to host additional outdoor community events at their venue. As a 5 year resident of the Cookie Factory Lofts, the neighbor of River City Roll, I can attest to the value this business has brought to the neighborhood. People like myself chose to live in this area of the city specifically because of the mixed used functionality and being able to walk to places to eat, shop, and socialize and community events like the ones being proposed add value to the residents of this neighborhood. Please do not hesitate to contact me with any questions and I hope you will support this request.

Sincerely,

Scott Gunn, Cookie Factory Lofts Resident
