I am a long-time resident and homeowner (35 years) living very close to the property at 3415A Floyd Ave. that is requesting a proposed special use permit. I just became aware of the public meeting last night hosted by the Museum District Association to review the special use permit, and I am writing to be sure that you know how I feel about increasing density in my neighborhood that I cherish.

My house is at 114 N. Crenshaw Ave. and **I STRONGLY OPPOSE granting special use permits that would allow more residential building in the alleyways.**
