Hello Mr. Brown,

I am writing as a concerned constituent in the Museum District. I urge you to oppose Special Use Permit: 3415A Floyd Avenue (W0001596050). I think this permit could set a dangerous precedent for the city and will dramatically decrease quality of life for those already in the Museum District. I also have concerns about the conversion of our narrow alleys into through ways for increased traffic and the issues this will cause for city amenities and current homeowners. I personally know homeowners who would be affected by this specific permit and the neighborhood overwhelmingly opposes this proposal.

Thank you for your time and consideration,
Chrissie Carrera
