ORDINANCE/RESOLUTION SUMMARY

The patron requests that legislation be drafted for Council's consideration requesting that the Council Chief of Staff have a study prepared of recommendations for real property tax relief for persons not eligible for such relief under current programs authorized under state law for the elderly taxpayers. This study should include guidance on how to provide relief to tax payers and recommend "next steps" for the Council on providing such tax relief and be completed within 30 days of passage of this resolution.

BACKGROUND

Property owners in the City are facing higher taxes due to increasing land values and assessments. Few are eligible for relief under the senior citizens tax relief program. Patron hopes that a study might guide Council to solutions to lessen the tax burdens of property owners not currently eligible for relief under existing programs for person of limited income over the age of 65.
