Hello Mr. Saunders,

Hope this E-mail finds you well. Just wanted to express our support for the proposed project for 29th and R street. As new residents to the Richmond area we are all for projects that will bring revenue to the city that fund projects and common services. We love Richmond and strongly believe Matt and his team are focusing on enhancing the community and making Richmond home for those who already love the city and those who are looking to let it into their heart. We hope that you see the value in Matt and his teams proposal and the positive revenue implications it could bring to this area.

Regards,

Julie Burton & John Russo
