Hi Mr. Saunders,

I wanted to send a letter in favor and in support of the 29th and R Street SUP. My fiancé and I have lived in the Church Hill neighborhood over a decade (combined) and it is wonderful to see the neighborhood clean up and turn around from the community that lives here, to the overall aesthetic. This plan would provide several new family homes and living space that will be styled much like the original Church Hill homes you see existing today, offer off street parking, outdoor space as well as give the street in general a much nicer facade. I hope you'll move this forward!

Thank you for your attention.
