Dear Planning Commission,

I am writing this letter in support of the special use permit (SUP) and development that is being proposed by A.N. Abouzaki, Applicant, at 931-933 West Grace Street. I was apprised of the plans from the outset both as a neighbor and Virginia Commonwealth University's Vice President and Director of Athletics. Granting the SUP will allow for a greater, more efficient use of the parcel at 931-933 West Grace Street.

Sincerely,

A handwritten signature in black ink that reads "Ed McLaughlin". The signature is written in a cursive style.

Ed McLaughlin
Vice President & Director of Athletics
