Dear Jonathan:

The Fan District Association ("FDA") Zoning Committee met with Mr. Lloyd and the applicant on-site at 931-933 West Grace Street on Wednesday, March 30, 2022 to discuss the Special Use Permit ("SUP") related to this project. The FDA Zoning Committee voted **not to oppose** this project. The FDA Board has voted to accept the recommendation of the FDA Zoning Committee.

We feel compelled to reiterate the position articulated in the letter we have attached, that the eastern boundary of the Fan District is Belvidere, not Harrison. We continue to assert that the FDA and other neighborhood associations as appropriate should have the opportunity to comment on any project within the Fan District boundaries.

Best,
Melissa Loughridge Savenko
