RE: The State and Local Fiscal Recovery Funds Under the American Rescue Plan

Act (ARPA) - Recommendation for Funding Awards for City of Richmond's

1st Tranche ARPA Dollars to Further Affordable Housing Activities

ORD. OR RES. No.

PURPOSE: This O&R request is for two ordinances as follows: To (1) amend Ord. No. 2021-040, adopted May 24, 2021, which adopted the Fiscal Year 2021-2022 General Fund Budget and made appropriations pursuant thereto, to (i) create certain new line items in the Non-Departmental agency, (ii) transfer \$1,283,288 from the Department of Housing and Community Development, and (iii) appropriate such \$1,283,288 to the new line items in the Non-Departmental agency, all for the purpose of providing grants to certain entities as shown on **Attachment A1** for the provision of housing-related services; and (2) authorize providing grants, loans or a combination thereof to certain entities in the amounts shown on Attachment A2, for the construction and preservation of single-family and multifamily dwellings, and authorize the Chief Administrative Officer to develop and execute all documents necessary to do so.

REASON: To authorize various funding awards under the City of Richmond's 1st Tranche of ARPA dollars and to authorize the Chief Administrative Officer to execute, for and on behalf of the City of Richmond, a total of \$10,000,000 in grants, loans, or a combination thereof contracts

by and between the City of Richmond and the designated project sponsors or entities outlined in **Attachments A1** and **A2**, for the furtherance of affordable housing activities in the City of Richmond, including multifamily new construction and preservation, single-family new construction, and housing-related services.

RECOMMENDATION: Approval is recommended.

BACKGROUND:

On March 11, 2021, the American Rescue Plan Act (ARPA) was signed into law and established the Coronavirus State Fiscal Recovery Fund and Coronavirus Local Fiscal Recovery Fund, which together make up the Coronavirus State and Local Fiscal Recovery Funds ("SLFRF") program. This program is intended to provide support to State, territorial, local, and Tribal governments in responding to the economic and public health impacts of COVID-19 and assist in containing the adverse impacts on their communities, residents, and businesses. The City of Richmond's ARPA Spending Plan was approved by City Council on October 25, 2021. The funds are to be used in response to the disease itself or the harmful consequences of the economic disruptions resulting from or exacerbated by the COVID-19 public health emergency.

Mayor Stoney and the City Council allocated under the City's 1st Tranche of ARPA funds \$10,000,000 to further affordable housing opportunities. This use is intended for projects that will align with and meet the requirements of the ARPA category of "Building Stronger Communities Through Investments in Housing and Neighborhoods" as well as aligns with the City's 5-Year Consolidated Plan, the Mayor's Equity Agenda, the Comprehensive Plan (Richmond 300), the 2020-2030 Strategic Plan to End Homelessness, and the recently adopted Equitable Affordable Housing Plan. All of the plans have goals to provide inclusive housing options throughout the City, increase homeownership, assist families and individuals to have homelessness as a brief, rare and non-recurring event, and assist families and individuals who are in need.

The Housing and Community Development Department (HCD), as the City department coordinating affordable housing and community development activities, released a Notice of Funding Availability (NOFA) by newspaper advertisements in the *Times-Dispatch* and the *Nuevas Raices*. HCD held two (2) mandatory workshops on December 2 and 9, 2021 for entities interested in applying in the competitive round. A total of seventy (70) attendees participated between the two workshops. It was noted in the newspaper advertisements that all entities desiring to apply had to attend at least one of the workshops. The application packet was released on December 10, 2021, to all attendees who participated in both workshops. The deadline to submit applications for the City's 1st Tranche ARPA funding was January 10, 2022. From December 2, 2021, through January 10, 2022, HCD staff was available to answer questions and provide clarification to interested entities. HCD also communicated electronically with potential applicants by sending periodic FAQs and related responses so all potential applicants received the same information. See **Attachment B** for a copy of the NOFA/Application Packet.

HCD received forty (40) applications for multifamily, housing-related services, and single-family activities totaling \$29,891,816. HCD is recommending the funding of seventeen (17) projects totaling \$10,000,000, which is the entire first tranche allocation. Based on the funding available, evaluation criteria, and priorities articulated in the NOFA/Application Packet, projects

recommended for funding were ranked the most competitive in the activity areas cited above. See **Attachments A1** and **A2** for HCD's recommendation for ARPA funding awards.

FISCAL IMPACT/COST: The City allocated \$10,000,000 in 1st Tranche ARPA Funding to further affordable housing activities. Based on the competitive round overseen by HCD and with the approval of the recommendation of funding awards, the entire federal award under the first tranche will be allocated. The categories of awards include \$1,250,000 for multifamily preservation projects, which preserves 255 units of existing affordable housing; \$6,966,712 for multifamily new construction projects creating 812 new units of affordable housing; \$500,000 for single-family homeownership projects creating 30 new units of affordable homeownership; and \$1,283,288 for housing-related services that will serve 6544 individuals. Note that the aforementioned number of units and/or persons served may be adjusted based on whether or not the approved funding amount differs from the amount requested. However, HCD will provide quarterly reports on all funded activities, including beneficiary data. These funds will serve households earning between zero and eighty percent (0%-80%) of the Area Median Income (AMI). Approximately forty-five percent (45%) or \$4,452,456 of the \$10,000,000 will serve households earning at or below 50% of AMI. (The preceding percentage has been rounded to the nearest whole number).

FISCAL IMPLICATIONS: No adverse fiscal implications are anticipated. The appropriation of the City's 1st Tranche of ARPA dollars enables the City to address the harmful consequences of or the economic disruptions resulting from or exacerbated by the COVID-19 public health emergency as well as implement several of the goals of the City's 5-Year Consolidated Plan, the Mayor's Equity Agenda, the Comprehensive Plan (Richmond 300), the 2020-2030 Strategic Plan to End Homelessness, and the recently adopted Equitable Affordable Housing Plan.

BUDGET AMENDMENT NECESSARY: Yes

REVENUE TO CITY: There will be additional revenue to the City as it relates to property taxes for any newly created housing units.

NOTICE OF FUNDING AVAILABILITY

The Coronavirus State and Local Fiscal Recovery Funds (SLFRF) Under The American Rescue Plan Act (ARPA)

The City of Richmond is issuing this Notice of Funding Availability (NOFA) for the allocation of funding provided by the American Resuce Plan Act (ARPA). On March 11, 2021, the American Rescue Plan Act was signed into law, and established the Coronavirus State Fiscal Recovery Fund and Coronavirus Local Fiscal Recovery Fund, which together make up the Coronavirus State and Local Fiscal Recovery Funds ("SLFRF") program. This program is intended to provide support to State, territorial, local, and Tribal governments in responding to the economic and public health impacts of COVID-19 and in their efforts to contain impacts on their communities, residents, and businesses. The City of Richmond's ARPA Spending Plan was approved by City Council on October 25, 2021. The funds are to be used in response to the disease itself or the harmful consequences of the economic disruptions resulting from or exacerbated by the COVID-19 public health emergency and cannot be grossly disproportionate to the harm experienced. This funding is intended for projects that will align with "Building Stronger Comunities Through Investments in Housing and Neighborhoods". The ARPA grant applications must be for pojects that will have a direct impact on providing services to address homelessness such as supportive housing; to improve access to stable, affordable housing among unhoused individuals and families; affordable housing development to increase the supply of affordable and high-quality housing units; housing vouchers, residential counseling, or housing navigation assistance to facilitate household moves to neighborhoods with high levels of economic opportunity and mobility for low-income residents and to help residents increase their economic opportunity and reduce concentrated areas of low economic opportunity.

Application packages will be available beginning December 10, 2021 on the City of Richmond's website: https://www.rva.gov/. To request an application by email or for a paper copy, please contact Ms. Gale Jones via email at Gale.Jones@richmondgov.com or via phone at (804) 646-7744. Applicants must submit their applications electronically to Ms. Sherrill Hampton, by email at Sherrill.Hampton@richmondgov.com. Please submit all applications and attachments in a single compressed file.

All proposals and applications must be received no later than 4:30 p.m. on Monday, January 10, 2022. Faxed applications and late submissions will **not** be accepted.

The City will host a <u>mandatory virtual workshop</u> for existing grantees and developers on Thursday, December 2, 2021 from 10:00 a.m.-12:30 p.m. A second <u>mandatory virtual workshop</u> for the general public will be held on Thursday, December 9, 2021 from 10:00 a.m.-12:30 p.m. All entities that will submit an application must attend the virtual workshop. Please contact Gale Jones (<u>Gale.Jones@richmondgov.com</u>) or via telephone at (804) 646-7744 by <u>4:00 p.m. on December 8, 2021</u> to register for the workshop. The workshop link and materials will be sent on the evening of December 8, 2021.

Please direct all questions to the Department of Housing & Community Development at (804) 646-1766. The City of Richmond does not discriminate on the basis of disability status in the admission or access to its programs. Virginia Relay Center - TDD users dial 711. Disclaimer/Disclosure: The City of Richmond reserves the right to award funding other than what has been requested by an applicant, at its discretion, for projects that meet an

immediate need, priority or goal of the City, and is an eligible activity as permitted by the City's general provisions for ARPA funding.

GENERAL GUIDELINES FOR ENTITIES APPLYING FOR THE CITY OF RICHMOND'S FIRST TRANCHE ARPA FUNDING CYCLE

(AFFORDABLE HOUSING AND RELATED SERVICES)

Eligible uses must be in response to the disease itself or the harmful consequences of the economic disruptions resulting from or exacerbated by the COVID-19 public health emergency and cannot be grossly disproportionate to the harm experienced. (Excerpt from the US Department of Treasury's Interim Final Guidance.)

The City of Richmond's Housing and Community Development Department (HCD) will utilize the following broad categories to describe eligible uses for funding under its first tranche of ARPA funds. The language below is also taken directly from the *Treasury Department's Interim Final Guidance*:

- > Building stronger communities through investments in housing and neighborhoods are eligible services. These include but are not exclusive to:
 - a) **Services to address homelessness** such as supportive housing, and to improve access to stable, affordable housing among unhoused individuals;
 - b) **Affordable housing development** to increase supply of affordable and high-quality living units; but cannot be used for demolition; and
 - c) Housing vouchers, residential counseling, or housing navigation assistance to facilitate household moves to neighborhoods with high levels of economic opportunity and mobility for low-income residents, to help residents increase their economic opportunity and reduce concentrated areas of low economic opportunity
- > Specifically, the eligible uses for this tranche of City of Richmond's ARPA funding must benefit low and moderate income persons as defined by HUD and include the following. (Note that not all eligible uses under ARPA are permitted uses under the City's program. In addition, the City reserves the right to make revisions, without prior notice, when the Final Rule is issued and/or given changes in community impacts based on the COVID-19 pandemic, as well as local needs. However, the City

of Richmond will provide notice of revisions made within ten (10) days of their implementation.

- New construction and/or preservation of rental properties. However, demolition is <u>not</u> an allowable expense per Treasury's Interim Final Guidance. Projects under this category of activities will receive priority consideration for funding.
- New construction of single-family homes. However, these type projects should include implementation of an innovative solution to solving the homeownership gap and bringing equity. Applicants may include a request for down payment assistance up to \$25,000 per home in a second mortgage or include a letter of collaboration from HOME, Inc., as it relates to the provision of down payment assistance.
- Gap funding for existing single-family homeownership projects that are currently underway and given the impact of COVID, including disruptions in the supply chain, have an increase in construction cost. Applications must clearly articulate the amount of additional subsidy needed per unit.
- Owner-occupied housing rehabilitation activities will **not** be allowed under this tranche of ARPA funding.
- Housing-related services but this will **not** include funds to mitigate evictions as the State is supplying funding for this activity and there is the COR's Non-Departmental awards. Eligible activities under this permitted use includes funding for homeless services, housing counseling and asset stabilization for both renters and single-family owners, as well as new homebuyers. As it relates to homelessness, priority will be given to projects that further the strategies articulated in the 2020-2030 Plan to End Homelessness and recommendations received from the GRCoC based aforementioned Plan and learnings from pandemic-related operations (expansion of the Homeless Connection Line hours and associated staffing, general increase of emergency shelter beds and expansion of medical respite services, including an increase in non-congregate beds with medical and behavioral health supports, etc. applications for post-purchase and asset stabilization activities for low and moderate income homeowners. Priority will be given to projects that provide counseling services to persons living in neighborhoods or communities where the assessed property value has increased 15% or more and/or that have a disproportionate impact from COVID-19. Up to \$5,000 is allowed for direct assistance to clients under the post purchase and asset stabilization program component. should note that when providing direct cash assistance to clients, consider whether, and the extent to which, the household has experienced a negative economic impact from the pandemic. Additionally, direct cash assistance must be reasonably proportional to the negative economic

impact they are intended to address. Furthermore, HCD asks applicants selecting the Post Purchase and Asset Stabilization activity to conduct or host "Legal Information Workshops" where participants can acquire free wills. Therefore, HCD encourages collaboration with local legal aid offices and the Bar Foundation

- ➤ Ineligible Uses: (While some of these activities may be eligible under ARPA, they are <u>not</u> permitted uses under this round of the City's ARPA Program. The City is using its ARPA funding to address needs previously identified and that meet goals articulated in our various housing plans, which have been seriously impacted by COVID-19, as well as seek to enhance alignment of its available resources as it relates to furthering affordable housing opportunities given the pandemic).
 - Expenses incurred prior to March 3, 2021 (only relates to the permitted use of gap subsidy for existing single-family homeownership construction projects as applications should be for new or expansion activities)
 - Demolition activities
 - Owner-occupied rehabilitation activities
 - Eviction diversion activities
 - Payment of property taxes
 - Assistance to unemployed workers, state unemployment insurance trust funds
 - Educational disparity assistance
 - Premium Pay
 - Revenue Loss
 - ARPA funds cannot be used as a non-federal match for other federal programs, especially where it is explicitly prohibited
 - Community violence prevention programs
 - Rainy day funds, financial reserves or similar funds
 - Satisfaction of any obligation arising under or pursuant to a settlement agreement, judgment, consent decree, or judicially confirmed debt restructuring plan in a judicial, administrative, or regulatory proceeding, except to the extent the judgment or settlement requires the provision of services that would respond to the COVID-19 public health emergency

➤ Additional items to note for entities submitting an application:

- Priority will be given to projects that provide affordable housing or housing-related services to persons at or below 50% of the Area Median Income (AMI). This priority income target may also be accomplished by utilizing income averaging as it relates to affordable housing development.
- Collaborative applications between entities are encouraged.

- Eligible applicants include nonprofits w/federal tax-exempt designation as well as for-profit developers undertaking affordable housing development activities.
- All applications must clearly address how the proposed project meets or is in direct response to the harmful consequences of the economic disruptions resulting from or exacerbated by the COVID-19 public health emergency.
- Leveraging is a must and should be succinctly shown in the required Project Leveraging Table.
- ARPA funds must be used for new services or an expansion of an existing service or completion of an existing project impacted by COVID. All applicants must employ an <u>unduplicated</u> counting of beneficiaries, especially where they are utilizing other federal and/or local funding.
- The deadline for obligating funds is **September 30, 2024** and the deadline for project completion and expending all funds is **September 30, 2026**.
- Environmental reviews will be required but based on the following protocols:
 - For projects related to services, no ERR is required as it relates to NEPA requirements. However, HCD staff will review the activities listed in the Item Plans/Contracts and make a final determination and note the project files accordingly.
 - For projects related to single family development projects (1-4 units),
 a modified ERR that looks at flood plain, wet lands, Section 106 for
 Historic Review, noise issues and site contamination using EPA's
 Enviromapper on the HUD website.
 - For single family projects involving five (5) or more units and multifamily rental projects, a full environmental assessment following the Part 58 guidelines for NEPA will be required. However, the environmental reviews are an allowable expense for projects involving rental development, preservation or single-family homeownership activities and should be included in the application's line item budget.
- Market studies are required for all development or preservation projects and are an allowable expense and should be included in the application's line item budget. Note that all market studies are due within 60 days of funding award and all funding awards are conditional on receipt of a market study that clearly depicts market need for the proposed project.
- All rental and homeownership projects must include a marketing plan with their application.
- For rental housing preservation projects, if there are existing tenants, a relocation plan should be included with the application for funding. Also relocation costs are an allowable expense and should be included in the line item budget for the project.

• Funding assistance may be in the form of a grant, low interest loan or other form and will be determined by the City of Richmond on a project-by-project basis.

APPLICATION GUIDELINES

The Coronavirus State and Local Fiscal Recovery Funds (SLFRF) Under The American Rescue Plan Act (ARPA)

Purpose

The City of Richmond is utilizing a competitive application process to allow organizations and developers to apply for funding that meet critical needs through housing, economic and community development activities. Funding is made available through the City's ARPA Funding Program.

Eligible uses must be in response to the disease itself or the harmful consequences of the economic disruptions resulting from or exacerbated by the COVID-19 publi health emergency and cannot be grossly disproportionate to the harm experienced. These funds are to be allocated to projects that can be completed within four years. The funding will be available on a competitive basis to the following types of organizations: non-profits, Community Housing Development Organizations (CHDOs), for-profit developers, economic development, housing or human service agencies, and/or organizations with federal tax-exempt status. The use of the funds is to support activities that is intended for projects that will align with "Building Stronger Comunities Through Investments in Housing and Neighborhoods". The ARPA grant applications must be for pojects that will have a direct impact on providing services to address homelessness such as supportive housing; to improve access to stable, affordable housing among unhoused individuals and families; affordable housing development to increase the supply of affordable and high-quality housing units; housing vouchers, residential counseling, or housing navigation assistance to facilitate household moves to neighborhoods with high levels of economic opportunity and mobility for low-income residents and to help residents increase their economic opportunity and reduce concentrated areas of low economic opportunity.

This funding round is to award \$10,000,000 through a competitive application process.

I. Planning and Submission

- **A. Distribution** Application packages will be available on the City of Richmond's website: https://www.rva.gov/. To request an application by email or for a paper copy, please contact Ms. Gale Jones via email at **Gale.Jones@richmondgov.com** or via phone at (804) 646-1766.
- **B. Staff Consultation** Staff members are available to discuss proposed projects, the application process, and other issues over the phone or in person. Appointments are required or via a TEAMS meeting. Please call Sherrill Hampton at (804) 646-6822 or Michelle Peters (804) 646-3975.

Language Assistance Information Office of Multicultural Affairs –(804) 646-0145

C. Deadline for Submission – NOFA Applications for ARPA Funds must be submitted no later than 4:30 p.m. on Monday, January 10, 2022. Applicants must submit their application electronically to Ms. Sherrill Hampton, by email at Sherrill.Hampton@richmondgov.com. Submit applications and attachments in a single compressed file.

- II. NOFA Application Instructions In an effort to simplify the preparation and review of applications, there is one application format for all proposals. Please check the appropriate funding type and complete the appropriate sections of the application. An application packet for each project that an applicant proposes to receive funding for must be submitted. Applications are to be submitted electronically in a compressed file to Ms. Sherrill Hampton at Sherrill.Hampton@richmondgov.com. Please read all of the information carefully before submitting.
 - a. **Application Checklist** The Application Checklist should be used to ensure that a completed application is being submitted.
 - b. **Attachments** All attachments must be provided, and the attachments should be kept to a minimum. All necessary information should be placed on the application forms. Other documents cannot replace the application. All attachments should be submitted with the application in a compressed file sent to Sherrill.Hampton@richmondgov.com.

III. Summary of Evaluation Criteria (See Attachment A)

a. A joint review process will be conducted by HCD staff and the Affordable Housing Trust Fund (AHTF) Board.

The evaluation consists of a four-part, 100-point evaluation criteria, with the opportunity for applicants to gain ten (10) bonus points. Applications are evaluated based on the following criteria: Project Feasibility (40 points), Income Targeting/Special Populations Served (25 points), Leveraging and Affordability (25 points) and Objectives and Linkages (10 points).

Water Utility Budget (Ord. 2021-053)	1,000,000	Lead Line Replacement
Total	\$13,500,000	

REASON: On March 11, 2021, the American Rescue Plan Act (ARPA) was signed into law by the President. The ARPA is a \$1.9 trillion coronavirus rescue package designed to facilitate the United States' recovery from the economic and health effects of the COVID-19 pandemic. Of the \$1.9 trillion, \$350 billion has been allocated to aid states, cities, tribal governments, and U.S. territories in their recovery efforts. The \$350 million in State & Local Recovery Funds, an amount of approximately \$155 million has been allocated to the City. This ordinance is to amend the FY22 budget to accept and appropriate the first tranche of those funds in the amount of \$77.4 million.

RECOMMENDATION: The City Administration recommends adoption.

BACKGROUND: On March 11, 2021, the American Rescue Plan Act (ARPA) was signed into law by the President. The ARPA is a \$1.9 trillion coronavirus rescue package designed to facilitate the United States' recovery from the economic and health effects of the COVID-19 pandemic. Of the \$1.9 trillion, \$350 billion has been allocated to aid states, cities, tribal governments, and U.S. territories in their recovery efforts.

In May 2021, the Treasury Department released its Interim Final Guidance on the State and Local Government funding from the ARPA to provide guidance on the eligible uses. This funding is to aid localities in their recovery efforts over a four year period. The funding can be used within four area: (i) public health and economic impacts; (ii) premium pay; (iii) revenue loss; and (iv) investments in infrastructure.

The total allocation for the City is approximately \$155 million from just the State & Local Recovery funds portion. Funding will be distributed to the City in two tranches. The City has receive the first tranche of \$77.4 million with the second tranche not to be expected until later next year.

On July 27, 2021 the City released a survey for the purpose of determining resident and community priorities for spending the \$77 million in ARPA funding. Almost 2,000 surveys were completed. The survey asked residents to rank four core priorities, spending options within those priorities, and provide any other feedback via open response questions. Overall, residents ranked Supporting Children and Families the most important spending category, followed by Transforming Infrastructure, Neighborhoods and Public Spaces. City leadership used this feedback to assist them in crafting the ARPA Spending Plan to aid in the recovery efforts.

The ARPA Spending Plan consists of six priority area categories, which are: (i) Building Back Affordable and Healthy Homes; (ii) Building Back Healthier; (iii) Investing in our Future – Children and Families; (iv) Building Back Stronger; (v) Building Back Greener and more Resilient; (vi) Building Back Safer.

Page 4 of 5

This ordinance is to amend certain FY22 budgets to appropriate the first year of funding in order to begin implementing the ARPA Spending Plan. The City will have until December 2026 to expend all funding it receives.

Lastly, part of the requirements of the City for receiving the ARPA funding is that the City is obligated to submit quarterly reports to the Department of Treasury. The quarterly reports require the City to report out on the expenditure details. As such, in addition to submitting these quarterly reports to Treasury, the Administration is committed to also providing City Council with quarterly reporting in an effort to remain transparent on the use of this monumental funding.

FISCAL IMPACT / COST:

- If Adopted: The City will be able to spend up to \$77,439,914 in ARPA funds.
- If Not Adopted: The spending authority for these funds wouldn't be established.

FISCAL IMPLICATIONS: \$77,439,914 in non-local funds will be available for these efforts.

Systemic racism in Richmond has taken an enormous toll on the health of Black residents for generations and persists in countless ways today. The Center on Society and Health at VCU found that residents of low-income Black communities in the East End of Richmond have a life expectancy that is 20 years shorter on average than White residents in wealthy West End neighborhoods. Recent data also shows that Black residents of Richmond accounted for 62% of the city's COVID-19 cases, though they make up only 47% of the city's population. These health disparities are primarily caused by the social determinants of health: the underlying conditions that determine a person's ability to be healthy and well, such as safe housing and neighborhoods, education and job opportunities, healthcare access and quality, and systemic and overt racism. The Health Equity Trust Fund will invest in efforts to dismantle the systems that help racism, trauma, and health disparities to persist.
