Rich

I am the president of the Westhampton Citizens Association (WCA). I am writing regarding Ord. No. 2022-123.

Later today, the City Planning Commission is scheduled to consider a request for a special use permit that, if approved by the City Planning Commission and by City Council, will permit the construction of an outdoor dining area in the rear of the Cocodrillo restaurant located at 5811 Grove Avenue in the west end of the City.

The WCA does not oppose the granting of the special use permit. Further, we commend Rob Long for reaching out to the WCA and his neighbors early in the process to explain his plans and to allay concerns. Finally, we wish him luck with his business and hope that it is a success.

Thank you.

Philip Hart
