Dear Jonathan and Matthew,

The Zoning and Land Use Committee for the Museum District Association reviewed the recently received plans of the SUP for 3301 & 3303 Park Ave. Based on the plans received, the committee recommended to the MDA Board of Directors that a new vote on the SUP is not necessary, and the Board of Directors agreed with this recommendation.

Given this recommendation, the MDA remains "not opposed" to the SUP at 3301 & 3303 Park Ave, as presented in the plans received on October 27, 2022, from the Planning staff.

If you have any questions please let me know.

Best regards -  
Caley Crawford
