ORD. OR RES. No. _____

PURPOSE: To authorize the Chief Administrative Officer to execute a grant contract between the City of Richmond and Challenge Discovery Projects, Inc. for the purpose of providing social and emotional wellness services as part of the We Matter RVA youth gun violence prevention program

REASON: An ordinance is required to authorize the CAO to sign the grant contract on behalf of the City

RECOMMENDATION: Approval is recommended by City Administration

BACKGROUND: In 2021, the City of Richmond won a \$500,000 Gun Violence Intervention Program grant from the Virginia Department of Criminal Justice Services for the purpose of launching a new community-based prevention program, named "We Matter RVA". We Matter is coordinated collaboratively by the Office of Children and Families and the Department of Parks, Recreation and Community Facilities, and engages ChildSavers, Challenge Discovery Projects

and Communities in Schools to support students who meet specific criteria that reflect the Center for Disease Control's indicated risk factors for youth violence. The program serves students at River City and Martin Luther King, Jr. Middle Schools, and provides positive youth development opportunities (including recreation, mentorship and non-clinical but therapeutic sessions with mental health providers) and a financial incentive, to children who have either witnessed gun violence firsthand or who have family members who have perpetrated gun violence. We Matter supports participants as they build CDC-defined protective factors so that they are less likely to engage in violent activity or perpetrate gun violence. Ordinance Number 2021-269, approved in October 2021, authorized the acceptance of the grant funds from DCJS.

The 2021 DCJS grant continues to cover costs of the program for the second year of the first class of participants, who are now in 8th grade.

Based on the successes of the first class of participants, the strong positive feedback from participants and their families, and the incredible potential of this program, the City of Richmond intends to continue to operate We Matter for a second class of participants at River City and MLK Middle Schools. The program will kick off in January 2023, enrolling 10 7th graders at each middle school who will be invited to continue their participation until the end of their 8th grade year. This Challenge Discovery Projects grant will cover costs associated with mental, behavioral and socio-emotional supports for participants at MLK Middle School, from January through August 2023. The City's Fiscal Year 2023 budget includes funding to the Department of Parks, Recreation and Community Facilities for their portion of the program.

FISCAL IMPACT / COST: \$80,000

FISCAL IMPLICATIONS: This will reduce the Reserve for Children's Fund appropriation in the Non-Departmental budget category by \$80,000

REVENUE TO CITY: None
