RE: Procurement Services Budget Amendments Submitted to Council

ORD. OR RES. No. _____

PURPOSE: To amend Ordinance No. 2022-055 which adopted the Fiscal Year 2022-2023 General Fund Budget by accepting \$4,000 in anticipated revenues from the sale of surplus property and by increasing appropriation to the Department of Procurement Services expense budget. The intent of this O&R is for City Council to accept and appropriate additional revenues anticipated from the sale of surplus property for the purpose of paying expenses incurred for online and in-person sale of surplus tangible personal property.

REASON: Per council ordinance #2022-055, this appropriation is necessary to recognize revenue and contractual expenses associated with the sale of tangible personal property.

RECOMMENDATION: City Administration recommends adoption of this ordinance.

BACKGROUND: In accordance with City Code, Chapter 2, Article IV, Division 15, Section 2-594 (2), the Department of Procurement Services is responsible for selling, trading, or otherwise disposing of surplus goods belonging to the City.

FISCAL IMPACT / COST:

- **If Adopted:** The additional revenue will accrue to the benefit of the General Fund fund balance.
- **If Not Adopted:** The Department of Procurement Services will not have sufficient appropriation authority to proceed with the sale of surplus tangible personal property.

FISCAL IMPLICATIONS: Fiscal implications will be determined as part of the zero-based budgeting approach during the upcoming budget process.

BUDGET AMENDMENT NECESSARY: Yes.

REVENUE TO CITY: Yes. Fiscal Year 2022-2023 General Fund projected revenue is expected to increase throughout the fiscal year based on prior year data.
