RE: Sale of a 0.1912 acre portion of a City-owned parcel of real estate

ORD. OR RES. No. _____

PURPOSE:

To declare surplus and direct the conveyance of the City's rights, title and interest, if any, in an approximately 0.1912 acre portion (the "Conveyance Property") of a larger (22.32 acre) City-owned parcel of real estate located at 4835 Old Warwick Road (Tax Parcel No. C0080224006) for \$8,579.00 to Tana Properties LLC for the purpose of facilitating the private development of real estate on the Conveyance Property and privately-owned parcels adjacent thereto. The Conveyance Property is shown labeled on the survey attached hereto as "0.1912 Acres in portion of Campbell Road to be conveyed." The conveyance will be made via quitclaim deed without the City providing any warranty of title.

REASON: An ordinance is necessary to convey the City's rights, title, and interest in the Conveyance Property to Tana Properties LLC and facilitate private redevelopment that yields a higher and better use on city-owned property and creates tax revenue.

RECOMMENDATION: The City Administration recommends approval.

BACKGROUND:

Tana Properties LLC is a local developer who developed the Family Dollar, the BP Gas Station and Buzz Thru laundromat on Broad Rock, as well as the Buzz Thru Car Wash on Hull Street & Midlothian Turnpike. These developments are owned in various LLC names including DAMOK LLC, EDAK LLC, IDAS LLC, Tana Properties, Buzz Thru Car Wash LLC and others. Cumulatively, these developments have added over a million dollars to the City of Richmond tax base.

Acquiring this small undeveloped and unused portion of the parcel that contains Broad Rock Park would enable Tana Properties, LLC to have a contiguous parcel allowing them to maximize the development potential of the site and usage in the existing B-2 zoning. Proposed plans for this acquisition would allow for required parking to support the existing laundromat and the planned new 10,000 square foot, 2-story mixed use building to include a restaurant, food market and apartments in keeping with the Community Mixed Use plan as described in the Richmond 300 Comprehensive Plan.

Summary of Terms and Community Benefits

- **Purchase Price**
 - \$8,579.00 (based on Tana Properties LLC's recent purchase of the .3266-acre 2600 Broad Rock Blvd in January 2022 for \$15,000 equates to approximately \$45,928/acre and further supports the purchase price for the subject parcel at \$8,759.00).
- **Projected Tax Revenues**
 - \$14,091± /year for the cumulative property assemblage.
 - Taxable parcel –land and all improvements will be taxable.
 - The taxable nature of the land and improvements will be conditioned in the deed
 - Following Closing and on an annual basis Tana Properties LLC or its successor shall pay the real estate taxes levied on the Property.
- **Community Benefits**
 - Capital investment of \$1.2 million into the local community.
 - Annual tax revenue of \$14,091± /year for the cumulative property assemblage.
 - 30-50 construction and permanent jobs.
 - 5-10 rental apartments.

FISCAL IMPACT / COST: \$8,579 in direct revenue to the City from the Purchase Price.

FISCAL IMPLICATIONS: The City of Richmond stands to receive an increase in future real revenues due to taxes levied on the new development to be built by Tana Properties LLC.

BUDGET AMENDMENT NECESSARY: No

REVENUE TO CITY: The City of Richmond stands to receive (1) \$8,579 in direct revenue from the Purchase Price and (2) an increase in future revenues due to taxes levied on the improvements built by Tana Properties LLC.

Offer to Purchase

We wish to purchase an unused 20' wide alley that is currently part of Broad Rock Park. The alley is between 2600 and 2606 Broad Rock Blvd, two parcels owned by Daniel Moreka. The alley is shown as Campbell Rd Unimproved on the survey of 2600 Broad Rock Blvd.

Mr. Moreka, developed the Family Dollar, the BP Station and Buzz Thru Laundromat on Broad Rock, and the Buzz Thru Car Washes on Hull and Midlothian Tpk. The properties are owned in various LLC names including DAMOK LLC, EDAK LLC, IDAS LLC, Tana Properties, Buzz Thru Car Wash LLC and others. These developments have added over a million dollars to the tax base. A bank approval letter is attached for your review.

Richmond, VA 23224

Acquiring this alley would enable us to have a contiguous lot which will maximize the usage in the existing B-2 zoning. We wish to utilize the 2600 Broad Rock parcel as parking for the existing commercial building at 2606 Broad Rock, which includes a laundromat, and soon to be opened restaurant and market.

Creating the new parking area would allow the existing parking behind the laundromat to be used for the mixed-use building we will be developing. This is tentatively planned as a 10,000 square foot, 2 story building with commercial space below and apartments above, in keeping with the Community Mixed Use as described in the Richmond 300 Comprehensive Plan. The anticipated capital investment is about \$1.2 million, adding jobs and much needed housing in the 9th District, and substantially increasing the tax base.

Our recent purchase of the .3266-acre 2600 Broad Rock Blvd lot for \$15,000 in Jan 2022 is \$45,928 per acre. It is shown as an invalid sale, foreclosure which is not accurate. We purchased it with a quit claim deed because there were encroachments which have since been corrected. You are welcome to contact the former owner, Offender Aid and Restoration to confirm that this was a valid,

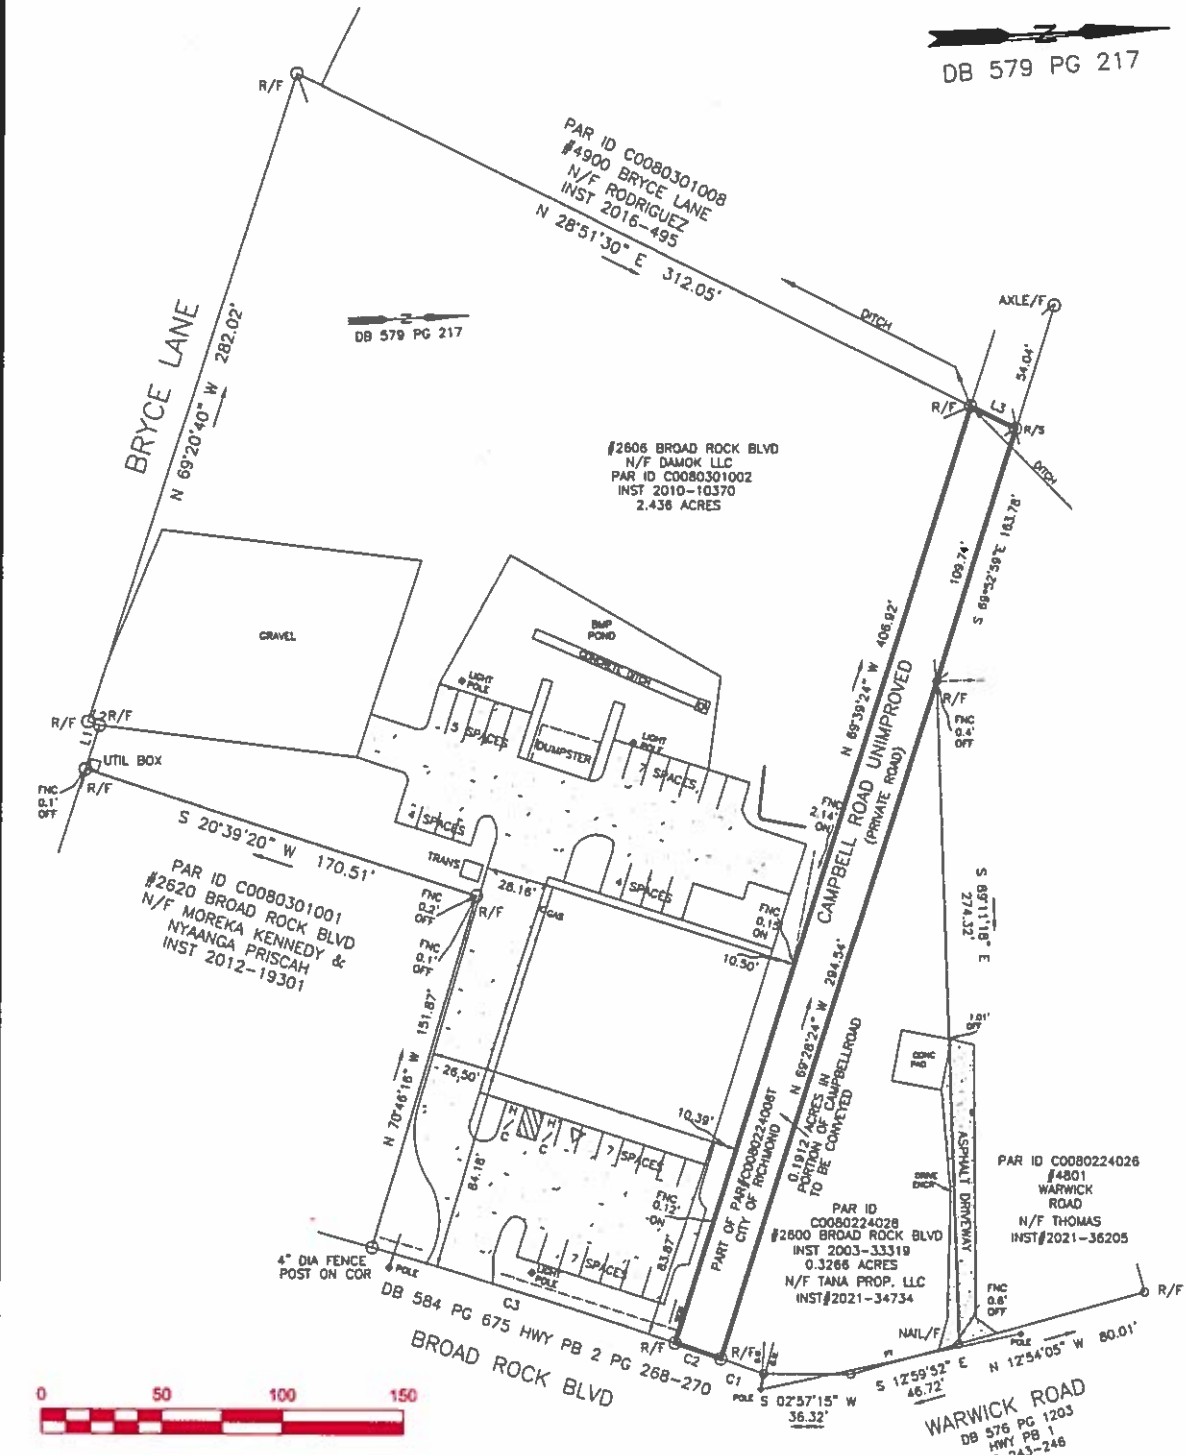

arms-length transaction. Ethan Lindbloom, Treasurer OAR,
elindbloom@janney.com.

This purchase would include approximately 407' along the north boundary of the 2606 Broad Rock parcel, by the 20' width of the alley or .1868 acres. The recent purchase of the 2600 Broad Rock parcel at \$45,928 per acre, suggests a purchase price for this alley at \$8579.

Chris Nizamis at the Department of Economic Development told us that Deborah Morton at Parks and Rec has stated that the property is of no use to the park, and she considers it to be surplus property.
