Resume.

I'm a CPA candidate and am on track to be licensed by Q1 2023.

As an auditor working in public accounting, I'm regularly studying ethics in business and serving the public. My position requires me to maintain independence from my clients and adhere to ethical standards set by regulatory bodies. Additionally, this experience has granted me a detail-oriented mindset in terms of reviewing internal policies, compliance documents, and other information that would greatly benefit the commission's policy development measures.

As a young person, I believe I can bring a diverse perspective to the commission that may be missing. I've had a lifelong passion for local issues and am seeking to get involved in improving life around the city.
