WHEREAS, the City has filed suit against Teva, Allergan, Walmart, Walgreens, CVS, and certain of their related corporate entities for their role in the distribution, manufacture, and sale of the pharmaceutical opioid products that have fueled the opioid epidemic that has harmed the City; and

WHEREAS, the City's suit seeks recovery of the public funds previously expended and to be expended in the future to abate the consequences and harms of the opioid epidemic; and

ORDINANCE/RESOLUTION SUMMARY

To approve of the City's participation in the proposed settlement of opioid-related claims against Teva, Allergan, Walmart, Walgreens, CVS, and their related corporate entities, and to direct the City Attorney to execute the documents necessary to effectuate the City's participation in the settlements, including the required release of claims against the settling entities.

BACKGROUND

By Res. No. 2018-R094, adopted Nov. 13, 2018, the City Council established a policy to pursue legal action on behalf of the City against drug manufacturers and distributors of opioids. Pursuant to Ord. No. 2021-234, adopted Sept. 27, 2021, the City entered into a Virginia Opioid Abatement Fund and Settlement Allocation Memorandum of Understanding with the Attorney General of Virginia providing for the allocation and use of monies recovered through litigation concerning the opioid addiction epidemic. Res. No. 2021-R078, adopted Dec. 13, 2021, approved of the City's participation in settlements with McKesson, Cardinal Health, AmerisourceBergen, and Janssen Pharmaceuticals. To date, the City has received \$1,040,164.96 directly as a result of these settlements. In order for the City to receive its share of settlements with opioid manufacturers Teva and Allergan and pharmacies Walmart, Walgreens, and CVS, the City Council must adopt a resolution authorizing the City's participation in these settlements. The City Attorney and the City's outside counsel recommend that the City participate in these new proposed settlements.
