Admin,

Planning Commissioners,

I'm writing in support of ORD 2023-068 and the redevelopment of 3600 Grove Ave. The City of Richmond, and the Museum District in particular, is in desperate need of new housing. Neighborhoods like the Museum District have an extremely low vacancy rate, making it difficult to impossible for folks to break into the neighborhood or even move within the neighborhood. The homes proposed at 3600 Grove will help take some of the pressure off the housing crisis in the area.

Please support ORD. 2023-068 and the addition of new homes to our city.
