Kevin,

I read that the City of Richmond declared a housing crisis last week. Looking at the flood of opposition to a completely inoffensive mid rise residential building, it's easy to see how we got here. I encourage you to support the SUP for 3600 Grove and to make it easier to build housing in the future.

Will you please pass my email along to the proper parties so it ends up on the agenda for the Planning Commission meeting on the 17th?

Best,
Taylor Rule
