Subject: Opposition to Eliminating Parking Minimums

CAUTION: This message is from an external sender - Do not open attachments or click links unless you recognize the sender's address and know the content is safe.

I live at 2037 West Grace Street,
I am opposed to altogether eliminating parking minimums.

The city should first consider decreasing the parking minimums rather than eliminating them. I don't see the rationale in eliminating the requirement altogether. First, let's reduce them and see how that works out.

Thank you,
Donald Cameron Beck, Jr.
