Good morning Ms. Oliver. I wish to add my voice to those who OPPOSE the proposed zoning changes that are going to the City Council on Monday. I live in the Museum District where parking is very difficult. Removing minimum parking requirements for developers will only exacerbate our problems.

To add reduced parking on top of an increase in Airbnbs is doubly troublesome for the residential areas of the city.

Thank you for Alyson and Councilman Addison for working to make our city more enjoyable for the citizens who live here.
