Subject: Parking changes

CAUTION: This message is from an external sender - Do not open attachments or click links unless you recognize the sender's address and know the content is safe.

Please do NOT make a “blanket change” regarding parking. What is a logical solution for some neighborhoods would be a disaster for other neighborhoods. The city’s policy should not be a “one size fits all” response. Wisely implement a laser focused approach to the parking issues and the changes needed which will benefit our citizens and their liveability.
