Mr. Ebinger and Mayor Stoney,
Please oppose the parking ordinance change that would eliminate parking minimums in the city. This is an extremely irresponsible proposal that will harm quality of life for residents to benefit greedy developers, many from out of town. City Hall may be blinded by dollar signs, but you all know what an inane and reprehensible idea this is.

City Hall has very little social capital in Richmond and this ordinance is one of many examples why we no longer trust our government. Please do the right thing and oppose this reckless ordinance change.
Thank you,
Elsa Woodaman
