Patrons: Ms. Newbille and Ms. Lambert

To request that the Chief Administrative Officer cause the Department of Parks, Recreation and Community Facilities to consult with the Office of the City Attorney concerning the development of a plan and the preparation of necessary documents to acquire, preferably by gift, the properties known as Evergreen Cemetery and East End Cemetery and to present such a plan and documents to the Council.

KEY Points:

- Until the ownership questions have been resolved, the next steps about the cemeteries cannot move forward.
- Enrichmond Foundation may have ended, but it has not formally dissolved at this point, so the current financial status of Evergreen and East End cemeteries is in question.
- This legislation requests a plan from Parks and development of necessary document from the City Attorney for acquisition of the cemeteries.
