ORDINANCE/RESOLUTION SUMMARY

The patron requests that legislation be drafted for Council's consideration requiring the installation of stop signs at the intersection of Fauquier Avenue and Nottoway Avenue, no later than 6 months after Council's adoption of the legislation requiring installation of the signage.

BACKGROUND

Although DPW has determined that traffic in the impacted area does not warrant installation of stop signage, the area residents disagree. The Bellevue Civic Association has submitted a petition to the patron requesting that stop signs erected at the intersection Fauquier Ave and Nottoway Ave due to the danger that persistent speeding presents to children, pedestrians, and other vehicles. Please see the attached copy of the petition.
