RE: Authorization of Second Gun Buy Back Event & Grant Contract with The Liberation Church, Inc.

ORD. OR RES. No.

PURPOSE: To create an ordinance authorizing the City of Richmond to administer a voluntary “Gun Buy Back Program”; and to authorize the Chief Administrative Officer to execute, for and on behalf of the City of Richmond, an \$80,000 Grant Contract by and between the City of Richmond and The Liberation Church, Inc. for the purpose of implementing the City’s second Gun Buy Back event.

REASON: Firearms take the lives of over 45,000 Americans a year. Tragically, gun violence is now the leading cause of death for children in the United States. Richmond, like many other cities in the United States, is experiencing an uptick in gun violence. This legislation, and the related grant contract, seek to prevent gun violence by reducing the availability of guns, providing responsible community members a safe means of getting rid of unwanted guns, and creating collaboration amongst Richmonders working to create a safer city.

RECOMMENDATION: Approval is recommended by the City Administration.

BACKGROUND: In May 2021, Mayor Stoney and the Richmond City Council declared gun violence to be a public health crisis, by passing Res. No. 2021-R029. The City’s leadership recognizes that reducing gun violence requires a multi-faceted approach, hence the creation of Richmond’s “Gun Violence Prevention and Intervention Framework.” Gun violence is not an unsolvable problem, but rather a public health crisis that is treatable and preventable through intentional, coordinated, and sustained effort.

One critical aspect of prevention is reducing the number of guns circulating in our community. Voluntary gun buy back programs allow gun owners to trade their firearms to government entities for gift cards or vouchers.

These programs have three main objectives. First, gun buy backs help to reduce the availability of guns in a community. This is particularly important for keeping firearms out of the hands of young people and away from individuals considering suicide. Second, gun buy backs provide an opportunity for the safe disposal of firearms. These programs provide an option for responsible members of the community who wish to get rid of guns but are unsure of how to safely do so. Lastly, gun buy backs create a critical opportunity for community engagement. These events create an opportunity for conversations about responsible gun ownership and a chance for critical relationships to be built amongst credible partners in the community, public safety officials, and other partners working to prevent gun violence.

In August of 2022, the City Of Richmond completed its first-ever voluntary gun buy back event and it was deemed a “win for everybody”  
<<https://www.wtvr.com/news/local-news/richmond-drive-thru-gun-buyback-called-huge-success-august-2022>>. With the help of the Robby Poblete Foundation, the gun buy back collected almost 500 firearms, attracting over 160 participants. 227 handguns, 117 rifles, 126 inoperable guns and five assault weapons were turned in, making Richmond the site for the largest turnout for a gun buy back the Robby Poblete Foundation has been a part of in its tenure.

Funding for Richmond’s first Gun Buy Back Event is made possible by the American Rescue Plan (ARPA), the \$1.9 trillion coronavirus rescue package signed into law by President Biden on March 11, 2021. On October 25, 2021, City Council approved ORD. 2021-291, which accepted the first tranche of ARPA funding and dedicated \$1,500,000 of the funds to “Gun violence prevention.” Of the \$1,500,000, \$1,000,000 has been committed to NextUp to provide positive youth development opportunities. The remaining \$500,000 has been committed to gun buy back events, responsible gun ownership education, and other gun violence prevention strategies.

The Administration recommends collaborating with Liberation Church to implement its second Gun Buy Back Event. Liberation Church is a 501(c)3 non-profit corporation dedicated to positively impacting the overall Richmond community. The organization offered their facilities for last year’s event and are familiar with the process and needs to hold a gun buy back event.

FISCAL IMPACT / COST: \$80,000 of the City’s approved ARPA Funding Spend Plan

FISCAL IMPLICATIONS: If not approved, it will further push the City closer to the expenditure deadline to utilize ARPA funds, which may result in repayment of these federal funds.
