RE: Establishing the First Cooperation Agreement by and between the City of Richmond and the Economic Development Authority of the City of Richmond to administer the Enterprise Zone (EZ) Program.

ORD. OR RES. No.

PURPOSE: To authorize the Chief Administrative Officer to enter into the First Enterprise Zone Program Cooperation Agreement with the Economic Development Authority of the City of Richmond (EDA) for the purpose of administering the Enterprise Zone Program.

REASON: To allow for the continuation of the Enterprise Zone Program to help stabilize and revitalize these areas by stimulating private investment through financial incentives.

RECOMMENDATION: Approval is requested by the Administration.

BACKGROUND: The Virginia Enterprise Zone (VEZ) program is a partnership between the Commonwealth and a locality to encourage job creation and private investment by designating specific local areas as Enterprise Zones. Businesses that meet certain job creation or investment requirements are eligible for two state-level incentives - the Job Creation Grant and the Real Property Investment Grant -and additional incentives offered by the respective locality.

Since 1993, the City of Richmond has participated in the VEZ program, and there are currently two Enterprises Zones in the City (as illustrated in Exhibit A of the Cooperative Agreement). The Commonwealth approved five-year extensions for Richmond's Enterprise Zones in December 2022. Businesses investing within Richmond's Enterprise Zone can access seven local economic development incentives that provide small cash reimbursements and grants (maximum disbursements range from \$1,000 to \$10,000 per incentive.)

Richmond's Enterprise Zone program supports a wide variety of companies that are investing in commercial properties or purchasing specialized machinery or equipment, from small restaurants and retailers to

fast-growing companies in our targeted industries. During FY22 and FY23, the 76 companies that received funds had an associated \$17.2 million in private investment within the Enterprise Zones. The program was also recently highlighted by past Enterprise Zone awardee Co-founder Alexander Olesen, Babylon Micro-Farms, in the introductory remarks for Vice President Kamala Harris's National Small Business Week speech.

With the adoption of the proposed Cooperative Agreement, the EDA will take responsibility for administrating the \$400,000 in FY24 Enterprise Zone incentives. By doing so, the Enterprise Zone program will be consistent with the grant management practices of the City's other grant-based economic development programs.

#### FY 2024 Workplan

The City's adopted Strategic Plan for Equitable Economic Development (SPEED) called for evaluating the City's incentive programs. Richmond's Enterprise Zone program has been essentially unchanged for the past decade - during which the costs associated with equipment, construction, and employees have rapidly increased. In FY24, DED will evaluate the current programs, processes, and zone boundaries. Recommendations will be brought back to City Council for consideration, and any changes will proceed through the Commonwealth's approval processes.

FISCAL IMPACT / COST: There will be no additional cost to the City in FY24.

FISCAL IMPLICATIONS: The adoption of this paper will allow the continuation of financial incentives to eligible businesses and property owners located within the designated Enterprise Zones. These incentives will stimulate private investment in the respective businesses and the properties housing the businesses, increase private investment in commercial and industrial properties resulting in new and retained jobs and increased commercial and business taxes for the City.

BUDGET AMENDMENT NECESSARY: No

REVENUE TO CITY: Increased general fund revenue.

DESIRED EFFECTIVE DATE: Upon adoption.
