SUP Application Report For the existing property At 3024 P Street

In 2020 Nadine Taylor purchased the property at the Northwest corner of 31st and P Streets, 3024 P Street. Currently the property has two residences - a 2,870 square foot 3 bedroom apartment on the first floor, and a 716 square foot studio apartment on the second floor.

The Church Hill North Historic District nomination document notes the property as a Commercial Building ca. 1890.

The current zoning is R-6. The owner is requesting a Special Use Permit for future uses and development of the property to be as allowed for R-63 zoning. It is evident that the building was designed for a ground floor commercial use, and the owner would like to reestablish that contribution to the life of the neighborhood.

Richmond 300 A Guide for Growth

Future Land Use Map

3024 P Street is in 'Neighborhood Mixed-Use'. Some highlights of Neighborhood Mixed-Use that apply:

- ... highly-walkable urban neighborhoods that are predominantly residential with a small, but critical, percentage of parcels providing retail, office, personal service.
- In historic neighborhoods, small-scale commercial uses exist today or should be allowed to reestablish.
- Pedestrian, bicycle, and transit access are prioritized and accommodated. The property is on Bus Route 12.

Great Streets and Street Typologies Map

Both P Street and 31st Street are highlighted as Major Mixed-Use Streets

Diverse Economy

- Support rezonings in alignment with the Future Land Use Plan
- 3024 P Street is in an Enterprise Zone
- Increase the number and support the growth of small businesses, start-ups, and women-owned and minority-owned businesses. The Owner is a woman of color and is interested in supporting small, minority, and woman-owned businesses.

In conclusion, the approval of this Special Use Permit Application will allow the Owner to have limited commercial tenant(s) that provide services and day-to-day convenience needs of the neighborhood as outlined in the R-63 Section of the Zoning Ordinance. The regulations permit corner commercial uses that are limited in location, type and scale. The Special Use Permit will better position the Owner for reinvestment in the property and to strengthen the neighborhood.

The proposed special use will not:

- 1. Be detrimental to the safety, health, morals and general welfare of the community involved.
- 2. Tend to create congestion in streets, roads, alleys and other public ways and places in the area involved.
- 3. Create hazards from fire, panic or other dangers.
- 4. Tend to overcrowd the land and cause an undue concentration of population.
- 5. Adversely affect or interfere with public or private schools, parks, playgrounds, water supplies, sewage disposal, transportation or other public requirements, conveniences and improvements.
- 6. Interfere with adequate light and air.

We have had one meeting with the neighbors to discuss the project, have reached out to the Church Hill Central Civic Association, and have been in email conversation with Jodi Dubyoski and David Herring of the Church Hill Association.

Thank you for your consideration,

Anne Durkin
