ORDINANCE/RESOLUTION SUMMARY

Resolution to request the Chief Administrative Officer to acquire a property location for the National Slavery Museum.

BACKGROUND

This O&R is to request that the Chief Administrative Officer identify and determine a location for the National Slavery Museum in the Shockoe Bottom area. The request is to provide a review and feasibility of options of properties in close proximity to Lumpkins Jail/Devil's Half Acre (1500 E. Main Street). The review should include as options the Seaboard Building; city owned; or privately owned properties for construction of the National Slavery Museum.

The report should provide at a minimum, recommendations for three viable options for the location of the Museum. The findings should chart the location, if the property is publicly or privately owned (or scenario of ownership) value of the property, and the process for the city to acquire the property.

The Chief Administrative Officer is requested to bring back a report of the findings for a location not later than June 30, 2023.
