RE: Text amendment to FY2015 Capital Budget – Meadow & Harrison Paving Projects

ORD. or RES. No.

PURPOSE: To amend the FY2015 Capital Budget to address Meadow & Harrison Paving Projects, by amending the Description & Scope to include the asphalt restoration of Meadow Street, to include the repaving of other side streets in the Meadow and Harrison Uptown Neighborhood, to include S. Allen Avenue, Randolph Street, Temple Street and other side streets in this area.

REASON: City Council added funds to the FY2014 Capital Budget for FY2015 for \$268,780 for the Meadow & Harrison street Paving Project. While City Council also adopted that project for the same amount in the FY2015 Capital Budget, the project description and scope of the Meadow & Harrison Paving Project was incorrect in the adopted Capital Budget documents. This paper will amend the project description and Scope for the purpose that was originally intended.
