STOP CITY PLAN TO CLOSE HISTORIC BROOK ROAD AT BROAD STREET

*Existing plaza with revered live oak tree can accommodate
proposed statue to honor Maggie Walker*

PREVENT THE RUSH TO MORE REGRETTABLE PLANNING

The road closure will have a negative impact on nearby residents & businesses in Jackson Ward, with effects citywide. The change in traffic patterns will disrupt and thwart access to Jackson Ward. Fire engines and tractor trailers will struggle and create hazards while trying to maneuver onto the planned narrowing of Adams Street. Traffic flow in the area is already complicated and parking scarce. There is no reason a monument to an important Richmond citizen cannot be accommodated in the existing plaza whose magnificent live oak tree will only enhance enjoyment of the overall design.

We the undersigned oppose the closure of Brook Road at Broad Street and the destruction of the live oak tree on the existing plaza:
