Dear Mark:

I am pleased to report that The Shockoe Partnership voted at our February 15 board meeting unanimously to support Weimans Bakery LLC's application to change its zoning from M-1 to TOD-1.

Such a zoning change would allow the property owners to redevelop this property into a valuable project with the opportunity to preserve most of the original historic two-story building face. The Pulse Corridor's draft plan recommends zoning in accordance with the applicant's request.

Please feel free to contact me with any questions your office may have.

Sincerely,
