Subject: Springhill Re-zoning No Opposition letter

Jeremy, Lory,

Apologies for taking so long to forward this. I am writing on behalf of the Springhill Civic Association with regards to the rezoning request for 701, 705, 715 w 19th st, 700 Cowardin Ave, and 1701 Stonewall Ave. to RF-2C Riverfront District. The neighborhood has met with Ms. Markham and Mr. Connell regarding his goals for the site. Springhill Civic Association has no objection to the proposed rezoning.

Let me know if there are others I should forward this to at the city, I'll be happy to do so.

Thanks,
Jason
Springhill neighborhood Association
