SPEECH FOR RICHMOND CITY COUNCIL

Tuesday, September 18th, 2018

Res: 2018 - R073

Good Day To All Of The Richmond City Council Members,

My name is ~Viper~ and I am the Commanding General of CSA II®: The New Confederate States of America, a Heritage ~ Not Hate Organization with chapters in all 50 States and Headquartered out of Tennessee. We are a Peaceful Pro-Confederate Heritage Organization who, among many other things, works hard to Save Our Monuments.

I come to you today with the support of all our members from all over the country to **AVIDLY OPPOSE RESOLUTION R073**, Councilman Mr. Michael Jones Bill To Destroy Monument Ave.

Monument Avenue, with its beautiful ornate monuments to the Congressionally Declared War Hero's, does not need to be altered in any way, and that includes any type of monument removal as proposed by Mayor Lavar Stoney and supported by Councilman Mr. Michael Jones, as well as any type of rebranding of the monuments on

Monument Ave whatsoever to suite the politically correct agenda of todays society.

Our organization, as well as many other supporting organizations to include the Virginia Task Force III% - Dixie Defenders, have been on the front lines showing our support for our proud southern heritage. We will not stop this effort until ALL The Monuments On Monument Ave Are Left Alone and Protected For Generations To Come.

Here is a thought that we have thrown out and asked the Mayor Stoney and Governor Ralph Northam of the State of Virginia To Do:

Leave Monument Avenue Alone and Add More Monuments to make it even better. This could include monuments to the different groups that fought with the Confederacy to include:

- The Black Confederate Soldiers who volunteered to fight for their home, being the South.
- The Native American Tribes to include the Cherokee Braves and Choctaw Braves.
- The Irish Brigades.

An Example of A Monument To Add To Monument Avenue

Vicksburg Black Confederate Soldiers Monument

Many More Can Be Added To Monument Ave To Make It Even Better!!
