SPECIAL USE PERMIT

202 West 15th Street Carriage House apartment 2nd floor Description of Finishes Special Use Permit

We respectfully request your support for the SUP concerning this 644 Square foot, 1 bedroom, 1 full bath, eat in kitchen, above garage carriage house apartment.

It is our desire to obtain a Special use permit for this small 644 square foot space above the garage. This space will make a great 1 bedroom apartment. With the increased density in the Manchester area, with multiple apartment complexes, mixed use buildings and large scale homes, this small 1 bedroom apartment allows its resident privacy, security and a nice quiet living environment away from a traditional apartment/townhouse/duplex setting.

This unit will in no way impact the safety, health, morals and general welfare of the community due in large part to its small scale and it being located behind a larger main building. This proposed 1 bedroom apartment will not create added congestion in roads and or alleys due to its dedicated parking spaces. This new construction apartment is up to current codes for fire and emergency notification items, smoke detectors etc. There is also a 14' wide alleyway to the East of the structure to allow for EMS access to the unit as well as a 12' recorded easement towards the south of the garage. This apartment is also equipped with a security system. This small apartment will not tend to cause overcrowding due in large part to its small scale as well as its dedicated parking spots on the east, south and north of the structure. This apartment may lend itself to assisting in the school systems, parks and playground by allowing affordable housing for possible employees and or volunteers that may work or use these city programs. This second floor walkup apartment is equipped with multiple windows to allow light and air to permeate the space. This structure as seen in the pictures does not limit the adjacent property owners adequate light and air due in large part to it being positioned between 2 alleyways and at the rear of the property. We have designed and constructed this space to fit in with the surrounding homes as well as used materials that will look good and last for years to come.

Exterior finishes: Are similar to some of the older homes in the Manchester Neighborhood. Please see photos.

- 1. The foundation consists of parged block.
- 2. Siding is premium Hardiplank siding. Prefinished with 10 year paint warranty
- 3. Cornice line and trim boards are PVC and or related materials.
