The plan is to clean the existing siding and match to the best of our ability, any damaged siding. Vinyl windows are the likely solution for replacements on all windows, depending on what may be remaining once we are allowed to pull a permit and start work.

Zak,

We had the staff meeting this morning, the secretary of the Board of Zoning Appeals heard the case, his suggestion was to present the drawings for the case without the proposed enclosed porch. Once the residential use will be re-establish by the Board, then the proposed enclosure can be included by right within the building permit. The new drawings have to be submitted not later than Wednesday.
