Simms Towing and Recovery is a minority owned business and has been in business for over 7 years. We are contracted with 80+ residential and business properties in the Richmond area and know the City very well. We have a good reputation and are licensed and bonded. We also perform repossessions for banks and credit unions, such as Navy Federal Credit Union. Repossession work is a highly regulated field and one must be thoroughly vetted and compliant to even be considered by such esteemed fiduciary institutions. Simms Towing and Recovery is proud of our compliance and reputation in the field. We have employees that have been in the towing and repossession business for over 15 years. As for me, personally, I also have years of experience in Private Property Management having worked at such places as Main Street Realty, Matrix Residential and Pegagus Residential. It is important to have diverse representation on such Boards, especially in a field that is still predominantly male oriented. I believe it is important to note that as a young woman working in this field, as well as actually working in a tow truck daily, I can offer a unique perspective to the Board that should not be overlooked. I ask that you consider my application to become a member of this Board. Thank you.

Other Community Involvement:

I have worked in the towing and recovery business for 7 years. For the complexes for which we are contracted, we have a "residential function donation program" in which we make a cash donation to contribute to a residential community event. We enjoy giving back to the community and several of our employees are generous to other charitable organizations in the Richmond area; such as Richmond Animal Care and Control, Meals on Wheels and Feed More.
