**ORDINANCE/RESOLUTION SUMMARY**

Amend City Code §9-58 which assigns polling places in the city for the purpose of relocating the polling place for precinct 702.

**BACKGROUND**

The current polling place for precinct 702 is Fairmount House, located at 1501 North 21<sup>st</sup> Street is an apartment complex for retired persons. This population is especially vulnerable to COVID-19. As such, the facility does not wish to allow non-residents into the building. This Ordinance request is to relocate the polling place for precinct 702.

The Sarah Garland Jones Center at 2600 Nine Mile Road has agreed to serve as the polling place for precinct 702. The proposed new polling place is accessible for persons with disabilities and within the existing boundaries of the precinct as required by the Code of Virginia. Upon adoption of this ordinance, all registered voters (currently 2,066) affected by this change would be notified at least fifteen days before the election on November 3, 2020, pursuant to the requirements of §24.2-306 of the Code of Virginia,

The Office of the General Registrar anticipates that the notice will be included in the notice

which must be mailed to all voters to announce the relocation of the main Office of the General Registrar itself. As such, this change is not expected to have any fiscal impact, therefore no budget amendment is requested at this time. It is anticipated that this notice will be mailed to all voters at the end of August.

The requested introduction date is July 27, 2020. §24.2-206 of the Code of Virginia prohibits changes to polling places within 60 days of a general election. As such, this ordinance must be adopted by September 3, 2020. Notice of this proposed change must be published prior to enactment one a week for two successive weeks before adoption.
