

The City of Richmond is in the process of legitimizing what is referred to as Short Term Rentals. In order to participate as a short term rental provider, we are submitting our application for a Special Use Permit. This permit applies to this property, and only this property, to be used in this manner and does not, according to the Land Use Administration of Richmond, set a precedent.

Of course, this is about more than just us having a secondary dwelling on our property. It is also about you, our neighbors. We are asking for your support.

The Planning Commission will have a hearing on this matter. We believe notifications will be sent as to date and time; you are welcome to attend. Thank you for your consideration.
