RE: To authorize the special use of the property known as 410 Hunt Avenue, for the purpose of three single-family detached dwellings, upon certain terms and conditions.

ORD. OR RES. No. _____

PURPOSE: To authorize the special use of the property known as 410 Hunt Avenue, for the purpose of three single-family detached dwellings, upon certain terms and conditions.

REASON: The requested special use permit proposes three single-family detached dwellings on new lots. The proposed parcels do not meet the required lot feature requirements for the zoning district where they are located. Therefore a special use permit is required.

RECOMMENDATION: In accordance with the requirements of the City Charter and the Zoning Ordinance, the City Planning Commission will review this request and make a recommendation to City Council. This item will be scheduled for consideration by the Commission at its December 7, 2020, meeting.

BACKGROUND: The subject property is 90 feet in width and contains 12,150 square feet. It is located in the R-5 Single-Family Residential District where single-family detached dwellings are permitted on parcels no less than 50 feet in width and 6,000 square feet in area. The proposal requests the subdivision of the subject property into three parcels 30 feet in width and containing 4,505 square feet. The site plans show that the front and rear yard depths, as well as the side yard widths, of the zoning district are met.

The City of Richmond's Master Plan designates the subject property for Single-Family (Low Density) uses. Primary use is single-family detached dwellings at densities up to seven units per acre. Includes residential support uses such as schools, places of worship, neighborhood parks and recreation facilities, and limited public and semi-public uses. The density of the parcel if developed as proposed would be a ratio of approximately 12 units per acre. There are also a variety of general housing goals contained in the Master Plan Neighborhoods and Housing chapter that are applicable to the request. These goals include, among other things, desire for neighborhoods to provide a variety of housing choices.

All properties surrounding the subject property are located within the same R-5 Single-Family Residential zoning district. Within the area of the subject property, those properties with improvements contain single-family detached dwellings.

FISCAL IMPACT / COST: The Department of Planning and Development Review does not anticipate any impact to the City's budget for this or future fiscal years.

FISCAL IMPLICATIONS: Staff time for processing the request; preparation of draft ordinance; and publishing, mailing and posting of public notices.
