

July 17th, 2020

To whom it may concern:

I understand that Russell Moore is applying for a special use permit to be zoned to run a 1 on 1 personal training business from the property of Gloria Garber at 1518 Pulaski St. He has expressed that only one vehicle at a time will be parked on the property next to, but not interfering with the alley behind the residence.

As a resident of the neighborhood, he has my support in this endeavor.
