Dear Mr. Kemp,

We have received a Special Use (New) application for the above referenced property, which is located in an I-Institutional District. The applicant has requested a Special Use (New) permit which would authorize retaining the existing illuminated "VUU" signage at the Belgian Pavilion Tower, which was erected without permit and exceeds the sign area permitted in the I district. Please find enclosed the application package for your review and also the development response form.

The petitioner is:
