Hi Mr. Gillette,

I hope your weekend is going well.

I'm not sure if this communication comes too late, but after mulling it over for some time, I am writing in support of 13011 N 32nd SUP.

This food or retail space is an opportunity to serve the community within walking distance and beyond.

As a resident that frequents the Marshall/28th-32nd St. coordinator (i.e. Second Bottle, Alewife, Cobra Burger, etc.) and enjoys Soul & Vinegar (R St.), I am certain including small businesses nestled in/near residential neighborhoods serves an important purpose.

I appreciate your time and consideration. If you have any additional questions, please feel free to connect.

Warmly,

Seth Knight
