Good Evening Cynthia,

I am emailing you to let you know that I recently moved to the Church Hill district with my girlfriend and have been informed of the possible approval of 2200 - 2202 Carrington Avenue development.

I strongly disagree with the approval of said plans due to the nature of the construction and damaging outlook it will cause. Church Hill is currently moving in a more positive and safer trajectory and this will greatly interfere with this progress.

Once again I think that these plans would be detrimental to the community and I plan on voting in the future for people who will help bring a positive future to this neighborhood.

Warm Regards,

Christian Parenteau
