Mr. Saunders,

I hope this email finds you well. I am writing to you about the proposed mixed-use development at 2200/2202 Carrington St. As the owner of both 2117 and 2119 Carrington, which are located across the street from the development, my wife and I are VERY much in favor of this development moving forward. The apartments are much needed in the area and the commercial space will likely be a critical hub for the entire neighborhood. This project will encourage more development close by as numerous dilapidated homes and vacant lots remain.

Please count us among those who are in favor of the project and who look forward to seeing the developer break ground in the near future.

Thank you,

Ernie & Tawny Chamberlain
