Rich, good evening I hope you are doing well this Friday I just wanted to express my support and excitement for this project! Carrington is a special street and the Fairmount District has NO walkable commercial at this time. This project will fill a considerable void in the market AND give us eye candy to look at. Couldn't be a more appropriate project for the area we really hope you will help the developer get this approved! Please let me know what else I can do to help out!

Thanks again for your help!

Matt,

Thanks for taking my call.  
Here is where the email in support should go.

As we discussed it's the mixed-use building with 9 units and a neighborhood-serving corner commercial space.

Thanks again,

Mark
